

# Risky Play, Outdoor and Unstructured Play Workshop

FRIDAY APRIL 8, 2016  
9:30 am–4:00 pm

Little Cataraqui Creek Conservation Area  
1655 Perth Road, Glenburnie, Ontario • Outdoor Centre–West Hall  
\$115 • Healthy, local lunch included

This workshop includes knowledge-sharing, evidence and research that supports the value of risky play and unstructured play in education, recreation, parks, community centres, after-school programs and spaces.

## Who should attend?

Multi sector stakeholders committed to healthy child development and environments that support outdoor play and risky play. Sectors include: education, recreation, health and well-being, mental health, social services, research, youth, planning, municipal.

**\*\*Space is limited! Register by April 01, 2016\*\***

For more information or questions, please contact Susan Patterson via email at [spatterson@kidactive.ca](mailto:spatterson@kidactive.ca)

## Outcomes:

- increased knowledge of evidence based practice and research to support outdoor play
- improved understanding of language related to risky play—liability, hazards, risk and duty of care
- skill development to implement risk benefit analysis and risk assessment systems
- increased knowledge and evidence base to shift towards an outdoor, risky, unstructured and nature play-based culture
- identify emerging and innovative approaches to system change
- increased knowledge and navigation of multi sector policies
- explore collaborative knowledge building principles and methods
- build a connected network of partners and evidence-based resources
